

Authorized Retreads

Precure DWT 14

Ideal for Trade Vehicles

- Features Goodyear's exclusive tread compound— developed to provide good traction & treadwear for the “trade truck” and older vehicles in limited service
- Good value for vehicles with low annual mileages
- 14/32” tread depth
- Centerline riding ribs for quieter ride
- 4-block lug element with open shoulder for good traction – wet or dry roads, muddy or snowy roads!
