

Authorized Retreads

Precure G282 MSD™

**Mixed Service and
Region Drive Applications**

- Goodyear exclusive tread rubber compound:
- Equals similar new tire design for treadwear per 32nd of tread depth
- Equals similar new tire design for traction & handling
- 26/32" tread depth for long tread wear
- 6-block lug element pattern for traction in all conditions
- Quieter ride and longer irregular wear resistance because the shoulder lug-elements are joined together by lug-tie bars
- Sipes in tread lug elements provide lateral traction control
- Staggered, wavy tread lug pattern provides circumferential traction & control
