

Authorized Retreads

Precure Lug Logger 24

**Mixed Service Drive Applications
Requiring Aggressive Traction**

- Goodyear exclusive precure tread compound – with good cut, tear, chip and chunking resistance when used in rough on and off road applications
- Provides traction in wet or dry driving conditions
- Over lapping “V” lug elements, for smooth highway ride
- “V” lug elements provide open channel to carry tread-face clogging debris away to shoulder, for good lateral and directional handling stability
- “V” lugs has 5-sided shape with long blade edges for good wet or dry traction on-highway, with open shoulder for improved mud & snow traction
- 24/32” tread depth
- For Mixed Service drive and limited Regional applications.
