

Authorized Retreads

Precure Modified Rock Lug

Mixed Service Drive Applications

- Goodyear exclusive precure tread compound - developed to provide good traction, good treadwear and good impact resistance
- Over lapping block lug elements, for smooth highway ride
- Block elements for good chipping and cutting resistance in heavily loaded, severe stop-start or on or off highway applications
- Shoulder tie-bars reduce lug squirm under load and maintain full traction throughout the tread life
- 28/32" tread depth
- For Regional and Mixed Service drive applications
