

Authorized Retreads

Mold Cure G372™

**Long Wearing Tread Design for Line
Haul and Regional Applications**

Goodyear's exclusive tread rubber compounds and original equipment-level tread designs provide :

- 10-sided tread lug elements – good mud, snow or “slushy” traction
- 22/32” tread depth for good treadwear
- Solid shoulder ribs – quiet ride, good highway ride, firm cornering, buttressed to resist tearing
- Solid Center Line Riding Rib/Lug elements for quiet highway ride
